**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love sonic internet because its my first dsl provider and affordable. I would like the company and name to keep growing. I appreciate if you guys work together and not against each other. The other dsl providers are over \$100 to \$400 living in California is already expensive as it is. I would hate to have to pay more than what is needed with what i already got. Good and affordable internet is hard to find.
